

Our Clean Blends represent our commitment to blending smoothies without any of the ingredients on this list. We will update this list on a regular basis as we continually improve our products:

- Aluminum Ammonium Sulfate
- Aluminum Potassium Sulfate
- Artificial Preservatives
- Artificial Colors
- Artificial Flavors
- Acesulfame-K (acesulfame potassium)
- Aspartame
- Azodicarbonamide
- Benzoates
- BHA (butylated hydroxyanisole)
- BHT (butylated hydroxytoluene)
- Brominated Vegetable Oil (BVO)
- Calcium Saccharin
- Calcium Sorbate
- Carrageenan
- Caramel Color (II-IV)
- Carboxymethyl Cellulose
- Carmine / Cochineal
- Cyclamates
- Diacetyl (added)
- DATEM (Diacetyl tartaric and fatty acid esters of mono and diglycerides)
- Dipotassium Sulfate
- Disodium Dihydrogen EDTA
- Disodium Calcium EDTA
- Ethoxyquin
- Ethyl Vanillin
- Disodium Guanylate
- Disodium Inosinate
- Fat Substitutes (including Salatrim)
- Glycerol Ester of Wood Rosin
- GMO Vegetables
- High Fructose Corn Syrup
- Hydrogenated Starch
- Hydrogenated oils and fats
- Hydrolyzed Soy/Corn protein
- L-cysteine
- Maltodextrin
- Mono and Diglycerides
- Monosodium Glutamate (MSG)
- Natamycin
- Neotame
- Nitrates/Nitrites (excluding those used for vitamin fortification)
- Parabens
- Partially hydrogenated oils
- Polydextrose
- Polyethylene Glycol
- Polysorbates
- Potassium Benzoate
- Potassium Sorbate
- Propionates
- Propylene Glycol (Declarable)
- Propylene Glycol Alginate
- Propyl Gallate
- Propylparaben
- rBST containing dairy ingredients (added, not naturally occurring)
- Saccharin
- Silicones / Siloxanes
- Sodium Benzoate
- Sodium Diacetate
- Sodium Lactate
- Sodium Nitrate/Nitrite
- Sorbates
- Soy and Soy Derivatives
- Sucroglycerides
- Sulfites (added, not naturally occurring)
- Synthetic acids
- TBHQ (tertiary butylhydroquinone)
- Tetrasodium EDTA
- Theobromine (added)
- Titanium Dioxide
- Triacetin / Triacetate
- Vanillin, when not naturally derived
